Dark Warrior Mine (The Children Of The Gods Paranormal Romance Series Book 7) by by I. T. Lucas

I read A LOT of paranormal romance and The a Children of the Gods has fast become my favorite series. I love how the author continues to grow and weave in the stories of the original characters like Syssi, Kian, Amanda and Andrew while developing the supporting characters. The stories keep you on edge, wanting to know more. The romance is hot and steamy and the mystery is just mysterious enough to keep you guessing. Will Syssi and Kian have children and start a new line, will her vision for Andrew come true, will Amanda find more dormants, is Nathalie one of them, will Bhathian find Eva and live immortally ever after, will Anandur find out what Alex is up to and find love on the way, and why is Brundar so grumpy? I can't wait to read book 8 and 9 to find out what happens with Andrew and Nathalie and eagerly hope she is working on Bhathian's story in books 10-12.

I am a HUGE fan of this series and read all of the books as quickly as possible, always eager for the next book in the series to come out. These stories have become a truly addicting read. The characters pull you right in and you're held right to the end. The cliff hanger at the end was a slight disappointment because all of the other books in the series are pretty much complete in the story line, but I don't mind as long as the next book in the series comes out shortly. I think any fan of the series won't mind at all.

"Excellent series, I have enjoyed each book the story slips easily into each character a and you feel a connection between all storyline that makes the whole series."

"love this story line! characters have human problems in a supernatural world . enough humans thorough out yo keep it interesting. can't wait for next one!!!!!"

"Loved the book and can't wait for the next one. You make the story just come alive, please keep them coming."

When Andrew is forced to retire from active duty, he believes that all he has to look forward to is a boring desk job. His glory days in special ops are over. But as it turns out, his thrill ride has just begun. Andrew discovers not only that immortals exist and have been manipulating global affairs since antiquity, but that he and his sister are rare possessors of the immortal genes.

Problem is, Andrew might be too old to attempt the activation process. His sister, who is fourteen years his junior, barely makes it through the transition, so the odds of him coming out of it alive, let alone immortal, are slim.

But fate may force his hand.

Helping a friend find his long-lost daughter, Andrew finds a woman who's worth taking the risk for. Nathalie might be a Dormant, but the only way to find out for sure requires fangs and venom.

KIAN AND SYSSI'S STORY

Book 1--Dark Stranger The Dream

Book 2--Dark Stranger Revealed

Book 3--Dark Stranger Immortal

AMANDA'S STORY
