Darkest Desires: M/M Dark Gay Paranormal Romance (City of Sinners Book 1) by by Noah Harris

### **New York City, 1977**

Disco. Gay liberation. The Son of Sam. Urban blight. It was a wild time in a wild city, and no one wanted to get wilder than a young man from a hick town in Missouri. Fresh out of high school, Richard Miller has come to the Big Apple to take a big bite of forbidden fruit.

But among the dark corners of the city's cruising scene stalks an ancient evil. It is hungry for virgin male flesh, and it knows just how to tempt a young man eager for thrills and new experiences. As Richard learns, this temptation threatens his new community, and even the city itself.

**Notes from the author: I feel that the reader should be warned that this story contains very explicit material with a strong satanic like twist. This story is definitely not for the faint at heart.**

**Darkest Desires is a dark romance with steamy scenes and bad language. It's only recommended for readers 18+.**
