In 2012 E L James was named one of Barbara Walters's 'Ten Most Fascinating People of the Year,' one of *Time* magazine's 'Most Influential People in the World,' and *Publishers Weekly's* 'Person of the Year.' *Fifty Shades of Grey* stayed on the *New York Times* Best Seller List for 133 consecutive weeks, and in 2015 the film adaptation—on which James worked as producer—broke box-office records all over the world for Universal Pictures. E L James lives in West London with her husband, the novelist and screenwriter Niall Leonard, and their two sons.
